

GRAD STUDIES FACULTY OFFICE HOURS

Fall 2026

Core Graduate faculty hold weekly office hours to support student learning, answer questions, and help with advising. Students are encouraged to reach out to faculty to schedule appointments to meet during posted office hours. However, if for some reason you are unable to meet during posted hours (e.g., scheduling conflicts), please contact the faculty member you would like to meet with to request an appointment at an alternative time. Faculty understand that graduate students balance coursework with family, work, ministry, and other responsibilities, and they are committed to finding a time that works.

Note: adjunct professors should be contacted individually with questions about courses and/or to request time to meet. Students should refer to course pages and syllabi for instructor contact information.

If you have questions or are in need of assistance from the Graduate Studies Office, please contact Terri Tench in the School of Graduate Studies (ttench@utf.edu | 706-914-8667).
